

PUBLIC HEALTH RESOURCE CENTRE

Rebecca Väänänen
Public Health Resource Centre Manager

Grace Kelly
Public Health Resource Centre Administrator

What is the PHRC?

A specialist knowledge and resource hub offering support to anyone in Leeds with a responsibility for, or professional interest in, public health or promoting health and wellbeing.

We are the **only** service in Leeds to provide this service and we have 25 years experience.

Public Health Effectiveness Bulletin

Your guide to PH news, publications and guidance

Issue 60, 28 February 2017

Welcome to the Public Health Effectiveness Bulletin. Produced each month, the Effectiveness Bulletin is your gateway to key publications to aid evidence-based practice specifically related to Public Health.

Feel free to forward the bulletin to those who may benefit from it but may not be on the distribution list.

In this issue:

Producing estimates of the size of the LGB population of England3	What is social prescribing?5
Quarter of people would not call 999 at the first signs of stroke3	Happy, healthy birthday5
Helping older people maintain a	Fatherhood: the impact of fathers on children's mental health5
	First Local Authority Councillors get

Public Health Campaigns

Questions to the room

- How could the PHRC help you in your role and achieve the LQAF status of working with the patients and public?
- Which aspects of our offer could support you in other work?
